The Office of Research Development (ORD)
Innovation in Research

OUR MISSION:

- Expand the University's research capacity
- Engage faculty scholars in transformative and interdisciplinary inquiry
- Contribute to the generation of novel ideas in a competitive funding environment

WE ENHANCE THE RESEARCH MISSION OF UNC-CHAPEL HILL BY:

- Promoting and supporting research focused on innovative, cross-disciplinary, and transformational efforts
- Fostering creative research leaders, fostering creative teams, fostering creative & enhanced funding
- Facilitating faculty navigation of the required University Limited Submission Grants & Awards process
- Managing the University Research Council (URC) Small Grants Program
- Coordinating campus use and integration of funding information databases

WE HELP FACULTY WITH RESEARCH PROJECTS THAT:

- Advance UNC's overall research mission
- Involve multi-, inter-, or trans-disciplinary research
- Have potential for innovation and transformation

LIMITED SUBMISSIONS:

When an agency limits the number of institutional nominees for grants or awards and the call crosses disciplines, we:

- Announce, organize, and direct the university's internal selection process
- Provide mentoring opportunities for nominees
- Facilitate UNC faculty peer review for the selection of university nominees

WE CONNECT FACULTY'S **IDEAS** WITH
FUNDING TRENDS AND **OPPORTUNITIES**
