Whenever information provided to OHRP changes for this IORG-IRB registration regarding the contact person who provided the IRB registration information or the IRB chairperson, your organization must submit an update/renewal within 90 days of the change. You must do this electronically via the OHRP website at http://ohrp.cit.nih.gov/efile/. The IORG-IRB registration must be renewed at least every 3 years. The expiration date for your IORG-IRB Registration is 6/18/2013 6:15:01 PM.

When an IRB registration submission has been reviewed and accepted by OHRP, an automatically generated e-mail notifies the person submitting the electronic record, the Information Provider, the chairperson(s) of the IRB(s), and the Senior Officer or Head Official on the Institution or Organization operating the IRB that the document has been reviewed and accepted by OHRP. This, of course, is dependent upon the electronic file submitted to OHRP providing correct e-mail addresses as requested.

Sincerely,
Division of Policy and Assurances
