**NOTE:** The figures on this report are based on monthly results for the University. Although the monthly and fiscal year to date totals are considered accurate, the breakdown by school, department, and sponsor are subject to change at the end of the fiscal year. These changes may result from the creation of new departments at the University, the adjustment of the administering award department(s), or other events that alter the handling of an award.

**Award amounts do not include Carryover, Student Aid, Income, Interest, and Faculty Research Council dollars.**
