Funding Databases and Guides

COS Funding Opportunities Database

http://grantsource.unc.edu/funding_databases.php#cos

- This database has funding information for all disciplines of study. COS contains nearly 25,000 funding opportunities.
- Recommended fields are keywords, citizenship, requirements, funding types, and activity location.

InfoEd SPIN (Sponsored Programs Information Network)

http://grantsource.unc.edu/funding_databases.php#spin

- SPIN includes opportunities in all disciplines. There is some overlap between COS and SPIN, as well as some unique content.
- Choose "Advanced search" from the main search screen.

Carolina Internal Funding Database

<http://cfx.research.unc.edu/funding/index.cfm>

- Internal sources of funds available from the University or University units.
- Nominated or limited awards that are funded by external sponsors but are administered by University units and have an internal application process.

Population and Subject-Specific Funding Opportunities

http://grantsource.unc.edu/funding_guides.php#graduate

- Search external listings by subject: Arts, Athletics, Business, Dentistry, Education, Environment, Government, Humanities, Information & Library Science, Journalism & Mass Communication, Law, Medical & Allied Health Sciences, Nursing, Pharmacy, Physical & Life Sciences, Public Health, Social and Behavioral Sciences, Social Work, Travel & Study Abroad.
- Search external listings by population: adult students, international students, international organizations, minorities, postdoctoral scholars, students with disabilities, women.

Carolina's Graduate School Funding Resources

http://gradschool.unc.edu/fellowships_and_funding/

- The Graduate School provides information on fellowship and scholarship funds, upcoming funding workshops, UNC-Chapel Hill competitive and merit-based awards, loan information, and more.

Commercial Scholarship Databases

http://grantsource.unc.edu/scholarship_databases.php

Listings of scholarships, including FastWeb, Finaid, Peterson's Scholarship Search, and others.

GrantsNet

<http://sciencecareers.sciencemag.org/funding?CFID=410257&CFTOKEN=10571652>

Funding opportunities in biomedical research and science education.

IIE Funding for U.S. Study

http://research.unc.edu/grantsource/funding_databases.php#iieus

Funding for international students to study or do research in the US.

IIEPassport: Study Abroad Funding

http://research.unc.edu/grantsource/funding_databases.php#iie

Funding for study and research abroad.

NSF Specialized Information for Graduate Students

http://www.nsf.gov/funding/education.jsp?fund_type=2

National Science Foundation's guide to programs for graduate students.

NIH Research and Training Programs for Students

<http://www.training.nih.gov/student/index.asp>

National Institutes of Health information about funding, internships, and training opportunities for graduate and medical/dental school students.

Funding Alerts

COS Funding Alerts

http://grantsource.unc.edu/funding_alerts.php#cos

Customized funding alerts emailed once a week with new or updated relevant funding opportunities.

Available in GrantSource Library

Foundation Grants to Individuals Online

http://research.unc.edu/grantsource/funding_databases.php#fgio

Foundations and public charities that fund individuals.
