**Subject:** October ARRA Quarterly Report

Prime recipients who receive a notice of award with a project start date prior to October 1st must submit a quarterly report by October 10th. ORIS has created a survey form (eProgress Report) in RAMSeS to assist in meeting this requirement. To date, approximately half of the 174 initiated surveys have been completed by campus. If you have already received an email to complete the survey but have yet to submit, we ask that you please do so at your earliest convenience, but not later than 8am Monday, October 5th.

Principal Investigators who have received a notice of award for an ARRA-funded project with a start date prior to October 1st and have not already received an email to complete the ARRA survey in RAMSeS will be contacted by a member of the OSR staff via telephone or email to obtain some necessary information.

In either case, OSR will facilitate the quarterly reporting to [federalreporting.gov](http://federalreporting.gov) on behalf of the university.

For detailed information on answering survey questions or gaining access to the survey please refer to the ARRA Frequently Asked Questions (link: [http://research.unc.edu/osr/ARRA/arra\\_faq.php#top](http://research.unc.edu/osr/ARRA/arra_faq.php#top)). In addition, if you have other questions or would like other assistance, please contact Andrew Reynolds 962-4396 or Mary Harris 843-2696. Any technical issues or RAMSeS-specific questions should be directed to the RAMSeS help desk at 843-2594.

Thank you in advance for your cooperation,
