**ARRA REPORTING**

In the next day or so, new ARRA reporting functionality will be implemented in RAMSeS to facilitate quarterly reporting as required by the American Recovery and Reinvestment Act of 2009 (ARRA). As previously communicated (August 6<sup>th</sup> email to campus), Lead PI's and their designated staff will receive an email with instructions for providing the required ARRA reporting data. Responses must be submitted on or before October 5<sup>th</sup> at 8:00 a.m. For additional information on ARRA reporting, please see the OSR website [http://research.unc.edu/osr/ARRA/arra\\_faq.php](http://research.unc.edu/osr/ARRA/arra_faq.php).

**PERSONNEL SCREEN**

The "Investigator/Research Team" screen on the RAMSeS IPF will be renamed "Personnel," and will display more robust information for each individual listed on the proposal (i.e. FT/PT, FTE, Clinical, 9/12 month appointment). "Sponsored Effort %" and "Cost-Shared Effort %" will also be displayed for each individual.

**RAMSeS DASHBOARD**

The layout of the RAMSeS dashboard has been reorganized so that the PI Certification and Department Approval inboxes are grouped together under a separate heading "Certifications/Approvals," located underneath the Proposal and Award dashboards. Technical assistance is available during business hours from the Office of Research Information Systems (ORIS) Help Desk 843-2594.
