IRBIS changes, effective 5:00 PM, January 18, 2019

IRBIS 5.09.20 Update:

Adding Personnel now uses an updated data table with searching ability:

Prior:

![Prior Image]

New:

![New Image]

Searching for Departments and External Institutions now also has the same search look-up:
We hope that these updates will make it easier for researchers to find the people, departments, and sponsors they are looking and reduce errors.

The consent form version date view has been revised:
