# Research Data Security

| Subject IDs | Sensitive Questions | Security Level | Requirements* |
|---|---|---|---|
| --- | --- | I | Password protection |
| YES | --- | II | Level I plus secure network |
| --- | YES | II | Level I plus secure network |
| YES | YES | III | Level II plus encryption, vulnerability scans, security audits |

* Note that schools and departments will be expected to play a more central role in ensuring security requirements are met. Investigators should consult with IT managers for their units.
