## 1: Submissions in Progress / All My Studies

**Old Interface:** We have dispensed with submission-type tabs and have provided a new, more robust method for filtering the **Submissions in Progress** and **All My Studies** lists (see below).

### Revised Interface

The status of the listed **Submissions in Progress** is noted here.

Filter the list by typing into any column text-box. (Note: you may filter by only one variable at a time.)

You may also filter by selecting from a drop-down list when present.

Currently, only the **Submissions in Progress** and **All My Studies** Dashboard displays have been revised.

## 2: IRB Study Management

**Old Interface:** Similarly, we have dispensed with tabs and provided a new method of filtering the IRB Study Management submissions list (see below).

The old interface features a dashboard with a left sidebar containing navigation links like 'Create New Submission', 'New Study', 'Modification', 'Renewal', and 'Unanticipated Problem'. The main content area is titled '>> IRB Study Management' and displays study details for IRB Number 09-1091, PI Sarah Uzenoff, and Study Title 'Evaluation of a Multi-Element Treatment Center for Early Psychosis: Predictors of Functional Outcome at One Year'. Below this, there are buttons for 'Submit a Modification', 'Submit a Renewal', 'Report an Unanticipated Problem', and 'Submit a Closure'. A table shows submission history with columns for Reference Id, Date Routing Complete, Submission Type, Approval State, Full Board Agenda, Action Date, and Letters.

Reference Id	Date Routing Complete	Submission Type	Approval State	Full Board Agenda	Action Date	Letters
<a href="#">119043</a>	n/a	Closure	Being Routed	n/a	n/a	n/a
<a href="#">105238</a>	03/29/2012	Renewal (Data Analysis)	Approved	n/a	03/29/2012	<input checked="" type="checkbox"/>
<a href="#">100606</a>	04/12/2011	Renewal (Data Analysis)	Approved	n/a	04/12/2011	<input checked="" type="checkbox"/>

**Revised Interface**

The revised interface has a more modern layout. The left sidebar includes 'Create New Submission', 'Submissions In Progress', 'All My Studies', and 'Routing Inbox'. The main content area shows study details for IRB Number 14-0039, PI Tegnell, David, and Study Title 'Committee A Member Test Submission (9/19/14)'. Below the details is a table titled 'All Submissions for IRB Number 14-0039' with filterable columns for Reference ID, Date Routing Complete, Submission Type, Approval State, Full Board Agenda, Action Date, and Letters. A callout points to the filterable Submission Type column.

Reference ID	Date Routing Complete	Submission Type	Approval State	Full Board Agenda	Action Date	Letters
<a href="#">4675</a>	n/a	Unanticipated Problem	In Draft	n/a	n/a	n/a
<a href="#">132373</a>	1/8/2015	Modification	Approved	10/6/2014	1/8/2015	<input checked="" type="checkbox"/>
<a href="#">132368</a>	9/22/2014	Initial	Approved	9/2/2014	9/22/2014	<input checked="" type="checkbox"/>
