Before a submission can be passed to the IRB for review, it must be:
- **certified** by the Principal Investigator, and Faculty Advisor—if a student project; and
- **approved** by the Home Department of each (PI and Advisor), as well as by the Administering Department—if different from PI's Home Department.

At **Project Personnel**, **approval** from up to three overseeing departments may be indicated:
1) Principal Investigator's Home (PI may be a student);
2) Faculty Advisor's Home (if a student project);
3) Administering Department (defaults to PI's Home Department—but an alternate may be selected manually, using lookup).

A fourth approval may be required by a Local Department (e.g., PRC, if indicated by completion of the Application's **Oncology Specific Questions**)

Note: **Approvals** are provided sequentially, in this order:
- Administering Dept. (if different from PI's Home);
- PI's Home;
- Advisor's Home (if different from PI's Home);
- Local

At **Application Status** screen (to access, click *Application Status* button at bottom of **Item List**), click *Routing* tab to monitor:
- **PI and Advisor certifications**
- **Department approvals**
