

Tracking Submission Progress

Between creation and approval a **Submission** may **Progress** through (up to) five stages:

- [In Draft](#): Until **Submitted** to routing.
- [Being Routed](#): Until **Routing complete**—i.e., until certified by PI (and Faculty Advisor); and approved by up to three departments overseeing research (initial submissions only).
- **Dept Waiting PI Response**: The department approvers have identified a concern and returned it to the PI for amending.
- [Submitted to IRB](#): Until IRB Review is **Completed** (e.g., Approved) or submission is **Returned to PI** (e.g., with minor stipulations, or deferred by full board).
- [Waiting PI Response](#): Until response to stipulations/deferral is **Revised-resubmitted** by the PI to the IRB.

The type of **Submission in Progress** listed is noted here.
