

ORANGE COUNTY HOUSING RESOURCES

Chapel Hill, Carrboro, and Durham are some of the locations in the area with housing close to campus. Many local apartment complexes are on the free bus lines (Chapel Hill Transit, CHT) in Chapel Hill and Carrboro. If at all possible, we highly recommend living near a free CHT bus line to make your commute to campus convenient and affordable. Please be advised that the Office of Postdoctoral Affairs does not endorse one rental company over another, nor do we inspect off-campus properties.
