

The logo for the Office of Research Development (ORD) features the letters 'ORD' in a bold, green, sans-serif font. The letters are set against a dark grey rectangular background and have a subtle reflection effect below them.

ORD

The Office of Research Development

Dr. Eliana M. Perrin, MD, MPH,
Associate Vice-Chancellor for
Research and Director of ORD

Our Staff

- **Eliana M. Perrin**, MD, MPH, Associate Vice-Chancellor for Research and Director
- **Regina Bartolone**, PhD, Associate Director
- **Gail Whitfield**, Executive Assistant and URC administrator
- **Denise Lindley**, MSW, Research Associate
- **Ashley Mattheis**, Graduate Associate, Pivot Training Specialist

Our Mission:

ORD expands the University's research capacity, engages scholars in transformative and interdisciplinary inquiry, and contributes to the generation of novel ideas in a competitive funding environment.

What We Do:

- PROMOTE and support research with a focus on innovative multi, inter and trans-disciplinary research efforts throughout the university
- CATALYZE research networks and strategic collaborations
- FACILITATE faculty navigation of the required University Limited Submission Grants and Awards process
- MANAGE the University Research Council (URC) Small Grants Program
- COORDINATE campus use and integration of funding information databases

Limited Grants & Awards

ORD Ensures

- that information is disseminated to campus units;
- that appropriate candidates/teams apply;
- an equitable peer-reviewed selection process for internal reviews;
- that the most competitive scholar(s) are put forward.

Faculty Advocacy

- Liaison to central administration, departments, external agencies
- Organizer of internal reviews
- Mentoring programs
- Supporter:
 - ❖ Meet with selected and non-selected candidates
 - ❖ Promote faculty recognition

University Research Council Grants (URC)

- Provide seed money, \$5000 or less
- Support UNC's junior faculty
- Support either research or publication grants

ORD Funding Tools Training

The Office of Research Development offers small group, departmental, individual faculty, or research staff trainings for the *COS Pivot Database*, *The Foundations Center Resources database* or additional support for those faculty and research staff needing general funding resources assistance.

- Other faculty trainings can be found through the Center for Faculty Excellence (CFE).
- Graduate and Post Doc funding tools training is obtained through the Graduate Funding Information Center (GFIC)

Most-Used Grants Databases

@ grantsinfo.unc.edu

Carolina Internal Funding Database:

- ❖ The Carolina Internal Funding Database provides information on internal sources of funds available from UNC-Chapel Hill.

COS Funding Opportunities:

- ❖ COS is a comprehensive database of funding opportunities from many government and private sources.

Community Foundation Locator:

- ❖ The Community Foundation Locator indexes community foundations located in North Carolina and other states.

Foundation Center Resources:

- ❖ The Foundation Center indexes nearly 100,000 U.S. private foundations and corporate grant-makers and over 2 million recent grants.

NC OpenBook:

- ❖ A database of North Carolina state government grant and financial assistance programs and awards made.
