IRBIS Board Minutes & Agendas	2
Admin > Options > View Sponsors.....	2
Admin > Options > View OHRE Attachments.....	2
Study Level Tag: Special Alert – Rely On	2
COI/Training Table Display Changes	2

Rely-On NCI CIRB Application

IRBIS is being updated to provide a slimmed down and more specific IRB application type when Rely-On NCI CIRB is selected as the External IRB of record.

Rely-On Institutional IRB Application

IRBIS is being updated to provide a slimmed down and more specific IRB application type when Rely-On Institutional is selected as the External IRB of record.

Admin Only Feature Updates:

Copy Study Function

Bug which cause issues when Copy function was used regarding the application wizard type ID (NHSR, Rely On, JIT/118, etc.).

IRB Board Name Update

The IRB Board names have been revised as follows:

Previous Board Name	Revised Board Name
Biomedical Committee A	Board A
Biomedical Committee B	Board B
Biomedical Committee C	Board C
Biomedical Committee D	Board D
Non-Biomedical Committee E	Board E
IRB Safety Committee	Board F

[Per the announcement from the OHRE Director](#), this has been in place since September 10, 2019, but an issue prevented the data from being displayed this way in IRBIS until now. This should apply on all IRBIS Screens, Minutes, and Agendas.

IRBIS Board Minutes & Agendas

The IRBIS Full Board Minutes and Agendas have been updated to automatically include the Reference ID for each submission and New Safety Information report.

A bug was preventing this information from loading properly. This has been resolved.

Admin > Options > View OHRE Attachments

A bug was causing an error message to be displayed when OHRE attachments were uploaded. This has been resolved.

Study Level Tag: Special Alert – Rely On

A study level tag for special alerts regarding Rely On projects has been added/added. When selected, a message noting that all questions should be directed to Cassie and John is displayed.

COI/Training Table Display Changes

Per COI Office request, a few changes have been made to the COI/Training table:

- COI Review Result now includes a hover over date for when the COI Office finalized the COI Review Result.
- The hover over for the COI Number column has been updated.
 - Prior: Click to view the email Logs for this individual (submitted on MM/DD/YYYY)
 - Revised: Click to view the email Logs for this individual (COI created on MM/DD/YYYY)
- The COI WebID column has been removed from the Researcher view.
- The green checkmark in the Initial COI Disclosure column will remain green when the COI Review Process status is Awaiting Submitter Response.
