UNC Postdoc Medical Insurance Policy – Frequently Asked Questions

What is the UNC Postdoc Insurance Policy? It is a major medical policy underwritten by Blue Cross and Blue Shield of North Carolina (Blue Cross NC). Refer to the attached Summary of Benefits to see your benefits.

Am I eligible? In order to be eligible for the postdoc medical insurance plan, the postdoc must be coded as a Postdoctoral Research Associate or a Postdoctoral Trainee at 30 hours a week or more in ConnectCarolina.

What if I do not want the policy? Complete the enclosed waiver form and submit to Blue Cross NC via email, fax or mail.

How do I apply? Complete the attached enrollment forms and return them to your assigned departmental Human Resources Representative who should mail them to the address above.

When does coverage begin? Coverage begins on the first day of the month following the month of the postdoc’s appointment effective date.

When will I get my insurance card? It typically takes about 45 days from the appointment effective date for the postdoc to receive an insurance card. Blue Cross NC is usually notified of a postdoc’s eligibility for the plan at the end of the month of the appointment effective date. For example, if a postdoc’s appointment effective date is December 1, Blue Cross NC will be notified of that postdoc’s eligibility at the end of December and will receive the premium payment for the month of January at that time.

What if I need to see the doctor before I receive my insurance card? You may have to pay for all or part of the charges when you are seen. After you receive your insurance card, you can give the provider’s office a copy of your insurance card and ask the provider to file the claim for you.

Can I add my dependents to the postdoc medical insurance plan? Postdocs may pay the monthly premium to cover dependents on the postdoc medical insurance plan. Postdocs have the option to add dependents:

- When the postdoc first enrolls in the plan at the beginning of their appointment;
- During open enrollment which is held annually from July 1 – July 31;
- Within 30 days of a qualifying event; qualifying events include:
  - Birth/adoption of a child
  - Marriage
  - Divorce/legal separation
  - Loss of eligibility for other coverage
  - First time arrival in the United States

How do I enroll dependents? New postdocs have the ability to add dependents beginning the day the postdoc’s policy is effective. To enroll a spouse or dependent child/ren, complete Section 2 of the Blue Cross NC insurance application. Monthly dependent premiums will be deducted from payroll. For existing postdocs, please call Blue Cross NC using the contact information above in order to determine if your dependents are eligible to come onto the policy and to obtain enrollment information. **Please note that the Campus Health Fee for spouses is a separate monthly charge
of $42.51 and should not be included in the payment to Blue Cross NC. Please contact Campus Health Services at (919) 966-6588 for further questions related to this fee.

**I am covering my spouse on my postdoc medical insurance plan but they do not intend to use Campus Health Services. Do I still have to pay the Campus Health Fee for my spouse?** Yes, per the plan rules, all postdocs and spouses are required to pay the monthly $42.51 Campus Health Fee.

**Are all dependents eligible to receive treatment at Campus Health Services?** No. Postdocs and their spouses are eligible for treatment at Campus Health Services, but children are not.

**What if I want to terminate coverage for my dependent(s) before my coverage ends?** You can terminate coverage for your dependents, with terminations effective on the last day of the month. Completed termination request forms must be submitted prior to the requested termination date. Dependent termination request forms can be found on the UNC Postdoc Student Blue website.

**I am leaving my postdoc position at UNC. When will my medical insurance coverage end?** Coverage for a postdoc and their dependents is effective until the end of the month following the end of the postdoc’s appointment end date. For example, if the postdoc’s appointment ends on May 15, the postdoc and his/her dependents will remain covered by the postdoc medical insurance plan through June 30. For special circumstances, such as coverage at a new job beginning prior to the end date of the postdoc insurance, postdocs can reach out to their department’s human resources contact to request their postdoc coverage terminate the last day of the month their appointment ends. Any early termination requests should be initiated within 30 days of the requested early termination date.

**My postdoc medical insurance coverage has ended and I am interested in purchasing COBRA. How does this process work?** Postdocs and covered dependents that are no longer eligible for the postdoc medical insurance plan are eligible to continue medical insurance coverage through the Consolidated Omnibus Budget Reconciliation Act (COBRA). COBRA allows the postdoc to pay the full monthly premium (plus a 2% administrative fee), to remain on the postdoc medical insurance plan for up to 18 months or until they obtain other medical insurance coverage. Postdocs have 60 days to elect COBRA from the mailed date of the WageWorks notification or termination date, whichever is later. Coverage is retroactive to the first day the postdoc is no longer eligible for the postdoc medical insurance plan.

When a department processes an end of appointment action for a postdoc, Blue Cross NC is notified. Blue Cross NC then contacts WageWorks who will mail the COBRA enrollment packet. Postdocs whose appointments have ended may not receive COBRA information for 4-6 weeks after their appointment ends, depending on when actions are processed in the system. However, once COBRA information is received, the postdoc still has 60 days to enroll and the coverage will be retroactive to the first date they are not covered by the postdoc medical plan.

SECTION 7  IMPORTANT LEGAL NOTICES – SPECIAL ENROLLMENT

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance (including Medicaid or Children’s Health Insurance Program (CHIP)) or group health plan coverage, you may be able to enroll yourself and the dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (other than Medicaid or CHIP) or if the employer stops contributing towards your or your dependents’ other coverage and within 60 days after the loss of Medicaid or CHIP eligibility. In addition, if you have a new dependent as a result of marriage, birth, adoption, placement for adoption or foster care, or by court order, you may be able to enroll yourself and your dependents. You must request enrollment within 30 days after the qualifying life event, unless adding a dependent child will not change your coverage type or premiums that are owed.

Please note: Not all plans offer dependent coverage. Please review your plan documents or contact your plan administrator to confirm eligibility.

¹ NOTICE: Your actual expenses for covered services may exceed the stated coinsurance percentage or copayment amount because actual provider charges may not be used to determine the payment obligations for Blue Cross and Blue Shield of North Carolina (Blue Cross NC) and its members.
**Benefit Period**
The period of time, usually 12 months as stated in the group contract, during which charges for covered services provided to a member must be incurred in order to be eligible for payment by Blue Cross NC. A charge shall be considered incurred on the date the service or supply was provided to a member.

**Allowed Amount**
The maximum amount that Blue Cross NC determines is to be paid for covered services provided to a member.

**Out-of-Pocket Maximum**
The dollar amount a member must pay prior to Blue Cross NC paying 100% for certain services.

**Day and Visit Maximums**
All day and visit maximums are on a combined in- and out-of-network basis.

**Utilization Management**
To make sure you have access to high quality, cost-effective health care, we manage utilization through a variety of programs including certification, transplant management, concurrent and retrospective review.

If you have a concern regarding the final determination of your care, you have the right to appeal the decision. If you would like a copy of a benefit booklet providing more information about our utilization management programs, call the toll-free number listed in your information packet.

**Certification**
Certification is a program designed to make sure that your care is given in a cost-effective setting and efficient manner.

If you need to be hospitalized, you must obtain certification. Non-emergency and non-maternity hospital admissions must be certified prior to the hospitalization. If the admission is not certified, a penalty will be applied.

For maternity admissions, your provider is not required to obtain certification from Blue Cross NC for prescribing a length of stay up to 48 hours for a normal vaginal delivery, or up to 96 hours for delivery by cesarean section. You or your provider must request certification for coverage for additional days, which will be given by Blue Cross NC, if medically necessary.

All inpatient and certain outpatient mental health and substance use services must be certified in advance. Office visits do not require certification.

In-network providers are responsible for obtaining certifications. The member will bear no financial penalties if the in-network provider fails to obtain the appropriate authorization. The member is responsible for obtaining certification for services rendered by an out-of-network or out-of-state provider.

**Health and Wellness Program**
Because we want to help you stay healthy, we offer a variety of wellness benefits and services. You can take advantage of Health Line BlueSM, our 24-hour health information service; a health topics library, asthma and diabetes management; and a prenatal program. You will also receive Active Blue, our health magazine, and have access to online health and wellness information at BlueCrossNC.com. With our program you can get health advice anytime you need it, so you can learn how to take charge of your health.

**What is Not Covered?**
The following are summaries of some of the coverage restrictions. A full explanation and listing of restrictions will be found in your benefit booklet.

2021 EXAM PLUS PLAN

Vision plan benefit summary

When you choose a health plan to cover you and your family, it’s important that you consider vision care. Why? First, your vision is an important thing to protect. Second, through a comprehensive eye exam, an eye doctor can often see early signs of glaucoma, brain tumors, cataracts, diabetes, heart disease, high blood pressure, high cholesterol, some cancers, neuromuscular diseases, rheumatic diseases and sickle cell anemia.¹ For these reasons, your employer offers Blue 20/20 vision coverage from the most preferred health insurer in North Carolina.²

Valuable coverage

Blue Cross and Blue Shield of North Carolina (Blue Cross NC) offers affordable vision coverage for individuals and families, all powered by EyeMed Vision Care.³

A plan for your lifestyle

With Blue 20/20, you’ll have access to one of the nation’s largest vision networks – more than 100,000 providers at both independent and retail locations.⁴ With so many locations to choose from, you’re sure to find a provider with a schedule that works for you. In fact, more than 70% of participating locations offer convenient evening and weekend appointment hours,⁴ online provider options and walk-in appointments.

Blue 20/20 is easy to use. There is no need for an ID card when you visit an in-network provider, and there won’t be any claim forms to fill out because your benefit is applied at point of sale. Plus, you can choose any available frame at an in-network provider location.
