Subject: **Budgeting Fringe Benefits and Fixed Health Insurance Rates - FY 2023**

The fringe benefits and health insurance rates for sponsored projects have been set for the 2023 fiscal year. Refer to the attached rate schedules to appropriately determine personnel benefits in proposals.

The fringe benefits and health insurance amounts require separate calculations to incorporate them into a proposal. The variable rate of fringe benefits is applied to an employee’s proposed salary amount. The amount of fixed health insurance is calculated by including the prorated amount of insurance based on the proposed salary level. These two calculations are combined to determine the total amount to include in a sponsored project’s budget.

Schedule I provides the finalized rates for permanent employees, post-doctoral appointees, and graduate students.

SCHEDULE I	Fringe Benefit Rate	Fixed Health Insurance
Permanent Employee	26.753%	\$7,397.00
Post-Doctoral Appointee	9.490%	\$5,454.84
Graduate Students	9.490%	\$4,740.60
Graduate Students (with FICA exemption)	1.840%	\$4,740.60
Undergraduate Students (with FICA exemption)	1.840%	-

Schedule II lists supplemental fixed health insurance and fringe benefits rates applicable to UNC Faculty and Physicians (F & P) Practice Plan members only. This amount is in addition to the rates included in Schedule I.

SCHEDULE II	Fringe Benefit Rate	Fixed Health Insurance
F&P Member - Permanent Employee	4.907%	\$1,943.76

Example: F&P Practice Plan member benefits calculation would include both schedules, 31.66% (Schedule I 26.753% + Schedule II 4.907%) + \$9,340.76 (Schedule I \$7,397 + Schedule II \$1,943.76).
